As a fresher in the field of IT Web development, I am eager to bring my strong skills in programming languages, web development frameworks. BCA Digital Technology Student | My journey began with mastering HTML and CSS—the foundation of every web page. Aspiring to create seamless user experiences,Let's connect and explore exciting opportunities!

Work Experience

None
Fresher

Sep 2022 - Jun 2025

Completed BCA in Digital Technology with a score of A. Acquired essential skills in web development, communication, and critical thinking.

Projects

The Efficient Way To Search: Binary Search Explained
MGR University Educational And Institute

Jan 2021 - Jan 2023

`Algorithms` `Searching`

Implemented binary search algorithm to efficiently search for an element in a sorted array.

Reduced search time complexity from linear to logarithmic, resulting in faster search operations.

Project 1 ↗
Apr 2024 - Apr 2024

HTML CSS

- Mention key **responsibilities** that match the project description. Include explanatory phrases which includes **why, how, where and how tasks** are performed. **Example:** Managed a team of 5 sales reps to deliver monthly business targets.
